

11 From Torrance Area Named by Community Chest

Eleven Torrance area residents have been selected to serve on the general budget committee of the Los Angeles Community Chest.

The group is part of a 250-member volunteer budget committee named to handle the distribution of the 1962 Chest campaign funds to its various health, welfare and youth services.

Community needs for a specific service in the light of available money are appraised by 19 sub-committees working within the framework of the general committee. The sub-commit-

tees then submit their findings and recommendations to the overall budget committee.

In the coming months, more than 50 review sessions will be held by sub-committees of all the Chest's 155 agencies.

Appointed to the committee were:

Vince A. Bauchiero, Bank of America, Torrance, Lomita; Ed. Gregory, S. Calif. Gas Co., and Owen Thomas, Bank of America, Torrance; Gerald Florence, Benchmark Mfg. Co., Gardena; Dr. Francis N. Clark, Mrs. Marion Young and John Sonneborn, Pacific Telephone, San Pedro; Walter Scheppmann, Retail Clerks Assn., Harbor City; Alan N. Ducommun, Rolling Hills; George W. Schneider, Hollywood Riviera; and Mrs. J. Carroll Monfort, Rolling Hills.

VA Seeks Information On Incomes for 1962

Veterans and dependents on the Veterans Administration's nonservice-connected pension rolls who do not return income questionnaires by Jan. 31 will not receive any more checks. They may even have to pay back the money received in 1962.

VA officials said questionnaires were mailed a month earlier than usual. The income information forms were sent with Nov. 30 checks. The return deadline remains Jan. 31.

Since these benefits are paid only to those veterans, widows, dependent parents or minor children whose incomes are below certain limits, the VA is required by law to receive an income report each year to support the payments.
